Cable Management

ISE's Cable Management accessories make it easy to keep wires and cables secure, accessible, and organized. Choose from a variety of cable management solutions like horizontal cable managers, that keep cables concealed along the bottom of the worksurface. Add vertical cable managers to neatly organize cables from the worksurface down to a floor or wall outlet.

Mesh Cable Trough

- Designed to be mounted under the worksurface behind the stretcher bracket
- Constructed of durable mesh, it provides 4" height and 3.5" depth of storage space
- Two widths offered to accommodate varying sized worksurfaces
 - 34" version to be mounted on worksurfaces 46" or less
 - 48" version to be mounted on worksurfaces 48" or greater
- Mounting hook design allows mesh trough to hinge open for easier access
- Velcro loops inside the mesh trough provide convenient way to keep cables & power strips bundled internally
- Each version features (1) grommet hole in the center to allow cables to enter or exit as required
- Textile portion available in gray finish
