Phenolic Tray

The 20" Phenolic keyboard tray with mouse tray provides a solid, low-profile keyboard solution. Available with swivel, tilt and swivel or height adjustable tilt and swivel mouse tray.

6731 Series

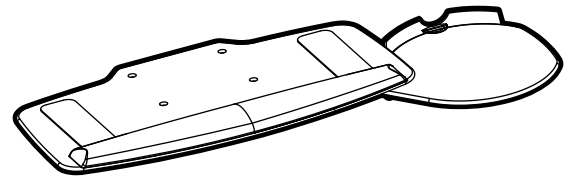

Features	Benefits
Rigid construction	Sturdier than a steel tray
Anti-skid grip strips on keyboard tray	Strips prevent keyboard slippage
Available with swivel only mouse, tilt and mouse or height adjustable mouse mechanism	Allows for left and right mousing flexibility
Built-in mouse guard with cable management	Prevents mouse from slipping off tray
Plug in foam-gel wrist rest	Offers gentle support, easy-to-clean wrinkle finish and wear resistant material
Fits most keyboards including the Microsoft Natural™	Flexible design accommodates equipment change
Universal mounting pattern	Attaches to most ISE Keyboard arms
Graphite finish and color that helps hide fingerprints, marks and smudges	Easy to clean and maintain

Phenolic Tray 6731 series

Ancillary Products:

- The Phenolic swivel tray is an ideal complement for Legato, Ovation and Momentum arms
- Use with ISE CPU holders
- For flat panel displays, specify the Concerto flat panel support system
