A  COMPANY

7805S

Concerto

Ideal for short benches and workstations, this economical single screen monitor support gives the user the ability to quickly find the ultimate ergonomic position for the flat panel display at an affordable price.

7800 series

Features & Benefits

Tool-less clamp installation makes assembly quick and easy

Patented Quick-Connect adapter allows fast, simple assembly

Includes Allen keys for tilt adjustment

The support's head swivels 360° around the base, increasing the options for display position

Load capacity of 20 lbs.

Clamp and/or grommet mount hardware included

Monitor mounting bracket contains both 75mm and 100mm hole patterns to comply with VESA standards

Pole allows a static height adjustment range of 11"

Concerto Monitor Arm 7800 series

Model	Description
7805	Single-Screen, No Extension

Color Options

To specify a color, add the letter at the end of the part number with:
B = Black **W** = White **S** = Silver **P** = Polished

For example, to get a "7805" in silver, order 7805S.

Notes: 1. Weight = packaged shipping weight per unit. 2. Specifications are subject to change without notice.
